Dear Mr. Wolter:

This letter is in response to your September 22, 2010 letter to William Damico, of my staff, regarding the Ridgeview Recycling and Disposal Facility, Whitelaw, Wisconsin request for CERCLA Off-Site Rule acceptability.

Pursuant to 40 C.F.R. § 300.440 (b), my staff has determined that Ridgeview Recycling and Disposal Facility, Whitelaw, Wisconsin meets the acceptability criteria. Therefore, Ridgeview Recycling and Disposal Facility, 6207 Hempton Lake Road, Whitelaw, Wisconsin is acceptable to receive waste from CERCLA sites.

This acceptability determination is based on the assumption that only wastes which comply with the permits issued to Ridgeview Recycling and Disposal Facility, Whitelaw, Wisconsin will be accepted. It is your responsibility to review any proposed waste streams for compliance with the permits for your facility.

Please note that this determination is based on the available information at the time of the review. Your status could be changed any time relevant information becomes available according to the procedures in 40 C.F.R. § 300.440 (d). Generators who need to use a currently acceptable facility should verify the current acceptability of any facilities they wish to use with the appropriate Regional Off-Site Rule Contact(s). If you have questions, please contact Mr. Damico at (312) 353-8207.

Sincerely,

A handwritten signature in cursive script that reads "Paul J. Little".
